

## **DECLARATION OF EMERGENCY**

### **Department of Health and Hospitals Bureau of Health Services Financing**

#### **Nursing Facilities Per Diem Rate Reduction (LAC 50:II.20005)**

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 50:II.20005 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B) (1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing the reimbursement methodology for nursing facilities to reduce the per diem rates paid to non-state nursing facilities in order to remove the rebased amount and sunset the state fiscal year (SFY) 2012-13 nursing facility rate rebasing (*Louisiana Register*, Volume 39, Number 5).

For SFY 2013-14, state general funds are required to continue nursing facility rates at the rebased level. Because of the fiscal crisis facing the state, the state general funds will not be available to sustain the increased rates. Consequently, the department promulgated an Emergency Rule which amended the provisions governing the reimbursement methodology for nursing facilities to

further reduce the reimbursement rates for non-state nursing facilities (*Louisiana Register*, Volume 39, Number 7). ~~This Emergency Rule is being promulgated to continue the provisions of the July 1, 2013 Emergency Rule. This action is being taken to avoid a budget deficit in the medical assistance programs.~~

The department has now determined that it is necessary to amend the provision of the July 1, 2013 Emergency Rule to revise the formatting of these provisions in order to ensure that the provisions are appropriately incorporated into the *Louisiana Administrative Code*. This action is being taken to avoid a budget deficit in the medical assistance programs.

Effective ~~October~~ February 28~~20~~2015, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions of the July 1, 2013 Emergency Rule governing the reimbursement methodology for nursing facilities ~~to reduce the reimbursement rates for non-state nursing facilities.~~
